

What's in a name?

Let me answer that "what's in a name?" question; for Reichel – Korfmann Co., Inc. it is RUBBER! We use only the best materials for fabricating parts and building belts. Made in the U.S.A. by experienced craftsmen is our deal. Since 1898 we've been delivering solutions for our customers – put us to work for you.

Dell Gulknecht, General Manager

RUBBER FABRICATION

		
	<p>Producing custom rubber parts fabrication in-house for over ten decades allows us to offer unlimited options for your industrial needs.</p>	
		

Your Conveyor Belt Experts

How to Improve Conveyor Belt Tracking Performance

Learn how to get the best performance from your conveyance equipment belts in our [Belt Troubleshooting](#) presentation.

 **EXPERIENCE = SOLUTIONS**
