

Work like a dog...

We love dogs. Anyone who knows my family and the RK RUBBER story is well aware of the entwined history we have with man's best friend. So, it's no stretch that we take to heart lots of lessons from our furry family. Loyalty, obedience, and a desire to please are virtues that come to mind. And of course, working like a dog—we do that here too. Give us a task... throw us a bone, and watch us go to work for you!
